

Toddler Class 2017-2018

9:30am-11:30am

Welcome to the Toddler class at Montessori School of Sonoma. There are some details and suggestions we would like to discuss so that confusion is minimal on the first day of school. Your child should bring the following items with him/her on the first day:

Diapers: Please have your child's name on the box/bag. In our bathroom there is a spot with your child's name that is where we store our diapers

Clothes: Please bring a full change of seasonal clothes for your child, clearly labeled with his/her name. A bag with your child's name on it will be provided in class for their clothing.

It is sometimes just as difficult for a parent to face the separation from her child as it may be for the child to separate from the parent. When it is time to leave your child, do not "sneak away" without saying goodbye. If your child cries at the moment of separation, let him/her know that you will be back soon. LEAVE WITHOUT HESITATING. Children usually will not continue to cry for more than a few minutes. If there is a problem, we will call you. Please read the information sheet on separation
